Consultation on the First Draft NDP and Next Steps
The Steering Group wishes to thank everyone who completed the Questionnaire for this second informal consultation. We really appreciate the time you have taken to give us your views.

Questionnaires
In total, 207 paper questionnaires were distributed to every household and stakeholder in Willoughby Parish. 108 questionnaires were returned (52 online and 56 on paper).

Reports
The Steering Group has produced two reports so far following the consultation on the First Draft Plan so that everyone is kept informed about what is happening. A third report is also being prepared and should be available by the end of November. All three reports can be seen under Key Documents on the right. They are:

A Full Report which enables everyone to see the responses to the Yes/No questions and all the comments and ideas that we received.

A Summary Report of the document above which will be delivered to every household in the parish and to other stakeholders. This report enables everyone to see how people responded to the Yes/No questions in the First Draft Plan questionnaire and provides information about where you can read the longer reports.

A Responses and Revisions document which will include our responses to what you have told us and revisions we may make to the First Draft Plan to produce the Willoughby Draft Neighbourhood Development Plan for formal consultation with you as required under Regulation 14 Town and Country Planning, England, Neighbourhood Planning (General) Regulations 2012.

We hope to have the Responses and Revisions document ready by the end of November.

Formal Public Consultation (Regulation 14)
We are hoping to have everything in place to formally consult with you for seven weeks from 21 January to 10 March 2019. We will give you more information about this in January. As in our previous two consultations, the Willoughby Draft Neighbourhood Development Plan will be a work in progress and all comments to improve the document further will be welcomed.
