

UPDATE 1 MAY 2018

Initial Consultation - 7 May to 3 June 2018

The *Issues and Options: Summary & Questionnaire* document (to the right under Key Documents) is an extremely important first step in asking you how you would like to see Willoughby develop over the coming years up to 2031 and beyond.

- ☐ Do you want to preserve our beautiful rural landscape and protect our historic buildings as well as our community facilities and services?
- ☐ Do you wish to help decide the type of new homes, businesses and facilities that should be encouraged in the parish?

If so, then this document is for you. Please let us know what you think. To do this you need to:

Complete the *Summary & Questionnaire*

either

[Click here](#) to go to the online version

or

Fill in the paper version that has been delivered to you

It is vital that we get your views as it is *your* parish and *your* plan.

You could also **come to the**

Neighbourhood Development Plan Day on 16 May 2018 to be held all day at the Village Hall from 10.00 am to 9.00 pm. Please come and see us and, if you prefer, bring your questionnaire with you to complete on the Day. We look forward to seeing you there.

Note: The Steering Group has also produced a longer consultation document, *Issues and Options: Full Document*, with much more information about Willoughby Parish. If you would like to read this document, it is on the right under Key Documents. Paper copies are also available to borrow from any member of the Steering Group or the Parish Council (See list below) or you can read a copy at the Neighbourhood Plan Day.

Next Step: After this initial consultation we will consider all submitted responses and start preparing our first Draft Neighbourhood Development Plan. We hope to have this ready by the beginning of September 2018.
